### ST.ALBANS 28/09/00

The excitement is palpable as the plea goes out for final payments for the Banquet in Port Isaac. The good news is that 65 People are going - the bad news is that you do have to pay your final instalments.

#### The Details

The following paragraphs are important even though they are not as prominent as other headlines on the page.

#### How to Get There

Firstly - the bad news, you will need to make your own travel arrangements. However saying that there are people going from all over the country so if you want to share a ride or can offer some space you will need to contact Dave or leave details on the Madhatters website.

As a guide it will probably take about 4 1/2 hrs to get there from London. This will mean most of you leaving around 1pm on Friday 10th Nov - just to remind you - you have taken the Friday off work haven't you!?

Anyway, make sure you have a UK road atlas and point your car towards Port Isaac - it's on the North West Coast of Cornwall. Once you arrive in Port Isaac, drop down into the village and the Old School Hotel is easy to find.

#### Who's Sleeping Where?

The sleeping plan will be held at reception - ask on arrival. Because the Hotel only holds 45 people some of you will be staying in the external cottages and hotels in the area. Don't

worry though, everywhere is within a 2min walk of The Hotel.

#### More Information

At any point if you want to find out more info on the Banquet go to the Madhatters web site at [www.madhatters.org.uk](http://www.madhatters.org.uk) and look for the Banquet link. The Banquet is on the Saturday night. The price includes full B&B. Please try your best to get there on Friday by 6.30pm for fun and games.

HAVE YOU  
REMEMBERED  
TO TAKE THE  
FRIDAY OFF  
WORK?

## MADHATTERS WEB SITE TOPS 13,000 VISITS PER MONTH

After being wrongly indexed by a Search Engine for containing the words Britney Spears and Clematis, the Madhatters site has been blown away by a massive increase in site hits. The mistake, which happened after a misplaced posting by mysterious contributee 'The Revealer', has led to an increase in visits to the chat area by teenage buffoons who frequently post up messages like 'R U wanting to chat I am GSOH and love laddiees'.

Also, after a long absence the paper version of Madhatters is finally out, although strictly speaking not a proper issue it does at least kind of make the tally of Madhatters issues to 10. Although you may have received this via e-mail as an Adobe Acrobat PDF file to save money you may not be able to open it. In which case you might be a bit bemused by this. Check out [www.madhatters.org.uk](http://www.madhatters.org.uk) for more nonsense.
